The Bexleo

Foreword

THE day of graduation draws near—a day which has been long anticipated and which will be long remembered by each of us. With it, the door of the future swings open, revealing a glorious vista of unlimited, untried fields. But with it, too, another door swings shut—against precious associations and friendships that we are about to leave.

We sincerely hope that this book may help to make fast in our hearts the memory of our school life and to secure in the annals of the school the remembrance of the Class of 1938.

The Bexleo

SENIOR CLASS SONG

*Together we classmates of Bexley High,
Bid sad adios to school days,
And as we part, we recall with a sigh,
Happy, careless hours along the way.
Hours that will last a whole life through,
To treasure along Life's way,
Memories, cherished of all of you,
Good-bye, Bexley High, good-bye—*

WISHWELLISMS—1950

DOTS and dashes and lots of flashes, from border to border and coast to coast! . . . Good evening, Mr. and Mrs. North America and all the ships at sea—let's go to press! . . . Plans for the bridge across the Straits of Gibraltar are under way. Colonel Robert Mueller is slated for the post of chief engineer, assisted by Alan Hatfield as aeronautical engineer, and Robert Parker as civil engineer . . . New York heartbeats . . . Attorney-General John J. Chester and Joan Armstrong, New York debutante, whom last week we reported seeing at the exclusive Hogan-Kalish Rendezvous, will tell it to the judge on Tuesday next. Also "that way" about each other are Gloria Ginder, vocalist with K. C. Browne's orchestra at said Rendezvous, and Robert Holzbacher, who helps draw Dopey's and Donald Duck's for Walt Disney . . . Orchids to Doris Scher, hostess, and Anthony Dattalo, pilot, for their heroic actions in the crash of the T. W. A. transport plane yesterday. Among the passengers rescued were John I. Jones, President of the New York Stock Exchange, Helen Cohen, founder of the Cohen Business College, in New York, and Miss Florraine Silbertstein, President of Goucher College, en route to an education meeting at Columbia University . . . reminiscent of the gory "And Sudden Death" of a few years back, is "From Airplane to Morgue," by Dan Harmon, Philadelphia undertaker, featured in this issue of the Reader's Digest. You will recall that your correspondent scooped the marriage last week of Nancy Nehrenst, ed. of the Digest, and Robert Stockdale '39, well-known auto racer . . . flash! . . . Greta Garbo's daughter, Hilda Stokowski, was nearly kidnapped while strolling in Central Park this afternoon with her governess, Elie Nielsen. She is being closely guarded by Eileen Zipser, renowned woman detective, while Private Detective Jane Leach investigates possible clues . . . By way of the high seas! . . . Peg Scarlett, on board the S. S. St. Louis bound for England and the Wimbledon Tennis Matches, denies rumors that she will turn pro. Also on the St. Louis are Richard Eckley, U. S. foreign minister to Africa, and his very social wife, the former Virginia Bonnet, who was presented at the Court of St. James last winter . . . The feud between Warren Wittmann, the so-called rival of yours truly, and Bill Walker, of the Hello Program goes on and on . . . attention Ohio! . . . Judge Jean Casey of the Ohio Supreme Court is expected to hand down a decision on the Higgins vs. Ford Motor Corporation case tomorrow. Stanley B. Schwartz is the attorney for Ford . . . Charlene Black, Metropolitan opera star, will give her command performance before the King and Queen of England tomorrow night . . . Memos of a Midnighter . . . spotted at Cab Calloway's opening in Pearl Lee Warren's new night club was John Lumbert, New York's most sought-after professional escort, with a well-known debutante. Also seen, and often seen together, were Ralph Rosenfield, publicity manager for Heintz Alphabet Soups, and Joan Joseph, speller for said soups . . . William Bauerle, top-notch artist, will paint the portrait of Doris Livingston, the dancer whose feet are said to be fabulously insured by Lloyd's of London, and Don Wilson's of Boston . . . William Whipple, new editor of Esquire, has succeeded in securing Charles Hood, ace photographer, for that magazine . . . Maurice Yalman's playful play, "Stars and Stripes," with a swell cast, including Ellen Lichtenberg, Owen Ford, and Gladys Cohen, will open its twelfth week in New York tomorrow. It's one you shouldn't miss . . .

Just in case you wondered, District Attorney Charles Kienzle, Nellie Lou Tully, recently chosen New York's most beautiful model, displays the clothes of Schiaparelli, Lucien LeLong, and Nancy Drake daily at the exclusive Fifth-Avenue establishment of Genevieve Adams and Dorothy Jones. Another popular model is Mimi Gilfillan, of Hattie Carnegie . . . The first U. S. ambassador to Pago-Pago, Strouse Campbell, will sail this week, accompanied by Elsie Leupold at the head of a missionary group and Ruthie Thall, Times correspondent . . . and now back to Schier Rice, who has as

NATIONAL HONOR SOCIETY

SCHOLARSHIP, service, leadership, and character are the four requisites upon which membership in the National Honor Society is based. Fifteen members of the senior class of 1938 were selected for the Bexley Chapter this year.

The object of this organization is: "to create enthusiasm for scholarship; to stimulate a desire to render service; to promote worthy leadership; and to encourage the development of character in the pupils of Bexley High School." The members are selected from the upper third of their class in scholarship, and fifteen per cent of the entire class may be admitted each year.

SENIOR HONOR ROLL

The Senior Honor Roll with its 24 members is the largest in the history of the school, which means that the class of 1938 is outstanding in scholarship among other classes that have graduated from Bexley High. To make an average of 90% or above in three and one-half years is a distinct honor. The 24 students who have achieved this have every reason to feel greatly pleased.

The list is as follows:

Vice President.....	Jack Chester	Faculty Advisor.....	Supt. H. C. Dieterich

THE Student Council was organized to create a better school spirit, to help increase cooperation between the faculty and the student body, and to make for the betterment of our school.

During the course of the year the Council gave two dances, one on February 21, and the other on April 22. K. C. Browne and his swing orchestra played for both, and they were well attended by the student body. The Council also sold concessions at the Central Buckeye Track Meet.

The organization consists of the officers, faculty advisors, and representatives from each homeroom. The representatives are: seniors, Bill Walker, Charles Kienzle, and Anne Burgess; juniors, Edward Reinert, Bill Williams, and Bob Geist; sophomores, Martha Moessner, Pete Gockenbach, Ruth Ann Stevens, John Loehnert, and Fred Bernlohr; freshmen, Richard Walker, Dick Rose, and Barbara Heer.

Must Be Varied

It's here again! That crazy season
when every sports editor in the country
is picking the All-American, All-Central
and what have you teams for finally once.
It's a grand season and a great sport,
but we have finally decided that after all,
the idea is getting a little old fashioned.
So we are going to introduce to you this
year two newcomers to enliven the
ancient custom. We present—
Our All-Ex-Bexley team: an inter-
esting suggestion as to what the fate of
the 1937 edition of the football team
might have been if some of the gridiron
who moved or withdrew from
to attend another school, could
be performed for the Lions.

The Lions broke their next league

The Lions, tied with Grandview for

but a week later outscored the Grand-

and last week won a thrilling 22-21 con-

THE HEAD LION TAMER

Carlton H. Smith

THE Lions of 1937-38 have already won the basketball championship and have a very good chance to win the baseball championship. If the latter is won, it will give us 50% of all the major sport championships.

Coach Smith

The football team was the most disappointing of all, in the light of games won and lost; but at the same time was the most unlucky team. This team won from Westerville, 19-0, and tied Academy, 0-0, but lost all the rest. They lost to Delaware, 27-19; to Grandview, 7-0; to Groveport, 24-14; to Arlington, 19-6; to Rosary, 12-0; and to North, 14-0. This team finished third in the League of four members. It was very good offensively but extremely weak defensively.

The basketball team **was the best ever to represent Bexley High** in the writer's opinion. They were undefeated in League play and of course C. B. L. champions. They won 13 of 16 games during the regular season and one in the Class A district tournament before being defeated, 39-37, in an overtime game by Marion Harding. Harding later was defeated by Newark, ultimate State Champs, by only one point. It will be many years before this team will be forgotten by Bexley fans.

The track team tied a triangular meet with Groveport, with Grove City as the third member. They won a triangular meet with Academy and Rosary, and defeated Westerville in a dual meet. Second was all they could get in the C. B. L. League meet, with Delaware taking first honors. Circleville was humbled in a dual meet. To date the track squad has not lost a dual or triangular meet this year, with but only one left. With the above record one can see that the track squad is far above the average.

The baseball team has beaten Lancaster, Delaware twice, and Westerville; and lost to Mifflin and Academy. The team is tied with Academy at present for the C. B. L. lead. If Academy and Westerville can be beaten, the first C. B. L. baseball championship is ours.

The team in general is a fine team, but with a freshman battery it is severely handicapped. Otherwise there are no weaknesses, and they have plenty of hitting strength.

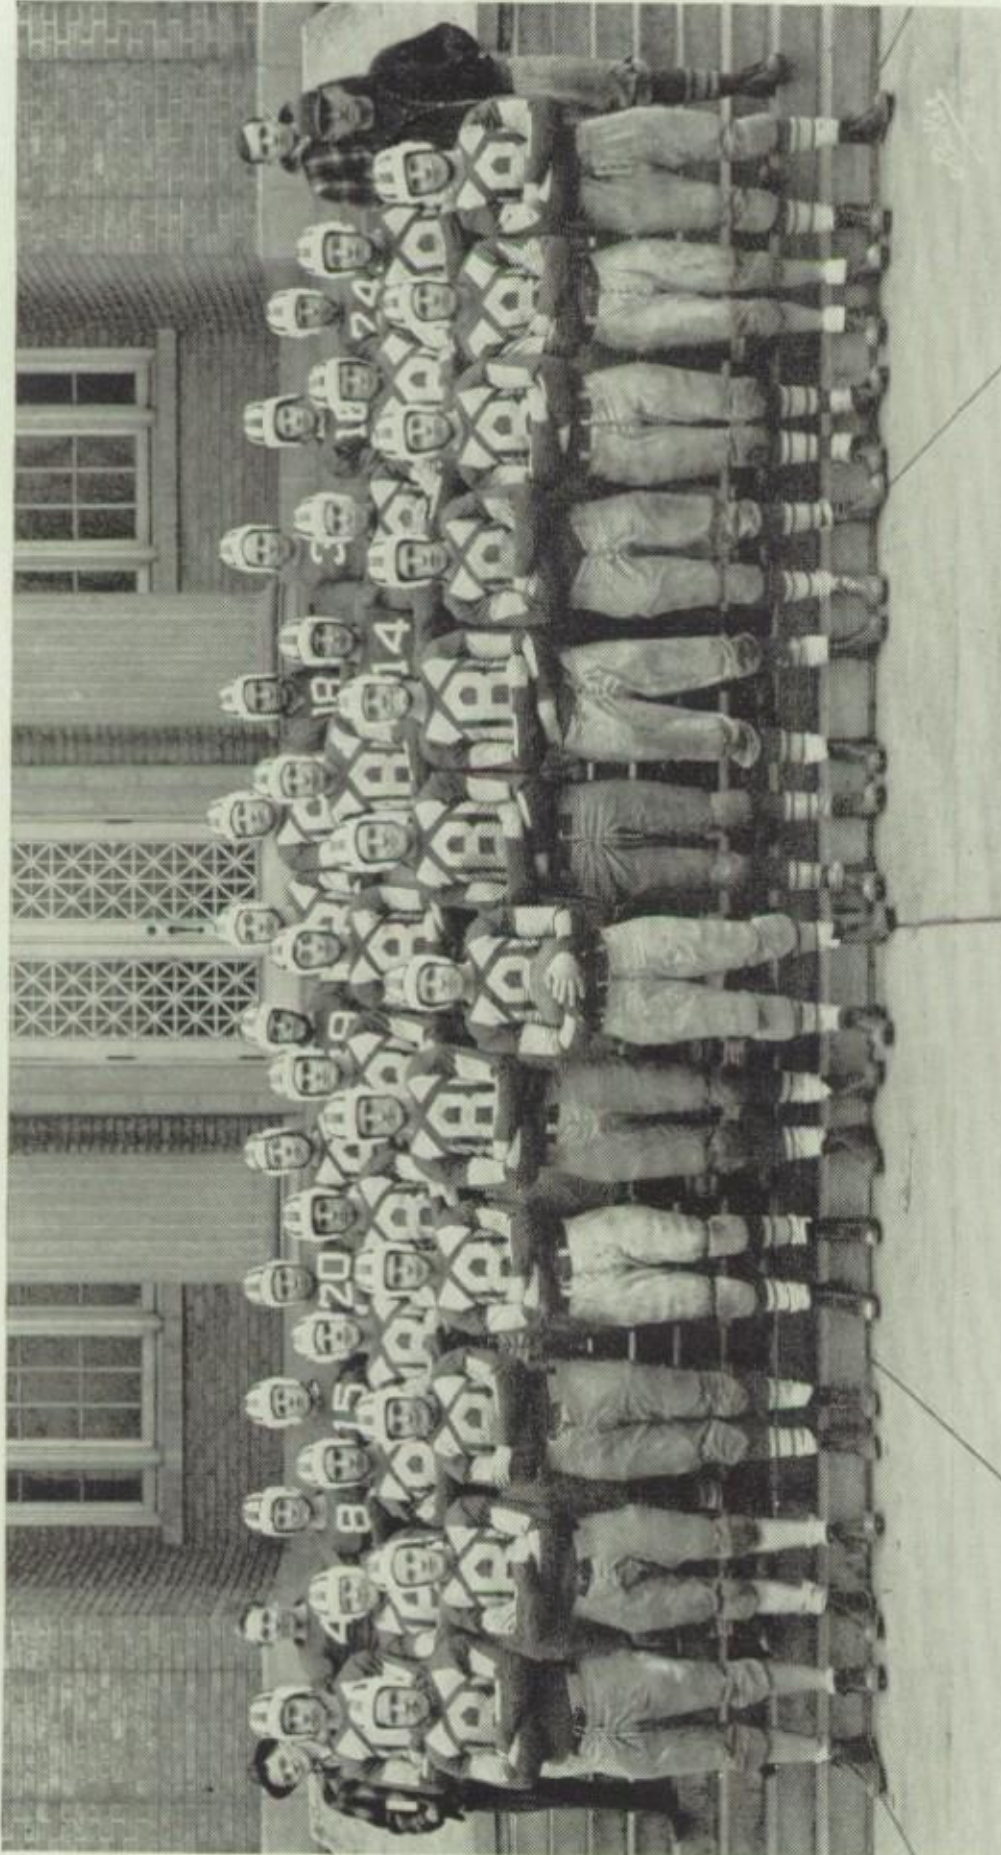

The tennis team has defeated Academy twice and East, but has been defeated by Arlington and Washington, C. H. The team is only fair.

The golf team has won two and lost five matches and is below par in ability and above par in score.

In summary of our sports year, we can say that we have had three major sport teams; namely, basketball, track, and baseball which are very fine teams, with only football to mar our record. The minor sport teams are below average, but we believe the seniors can graduate remembering many winning teams.

A glance at next year without the seniors reveals a good football team, a weaker basketball team of course, and a better baseball and track team. The underclassmen are hoping so at least.

FOOTBALL

THE past Bexley football season can accurately be described in three words—"disappointing, but thrilling."

The season must be termed disappointing because of the record of one win, six losses, and one tie, and because the "Fighting Lions" were unable to capture the Central Buckeye League championship or the mythical Little Three title for the third successive year. The Lions finished third in the C. B. L. and last in the Little Three.

Capt. Chester

However, though the **record** can not be termed thrilling, the season was a thrilling one in the number of tense, exciting games played. Indeed, Bexley football fans this year were treated to some of the most colorful gridiron combats seen in many a season.

First opposition of the season was offered by a ponderous North High eleven, in a nocturnal contest. Riddled with injury, the Blue and White gridgers were momentarily bewildered by two first-quarter touchdowns, and, unable to overcome this lead, went down to a 14-0 defeat.

The flurry of bad breaks which marked the early, make-or-break part of the season caught up with the Bexley eleven again the following week, this time against Delaware. After giving an unparalleled exhibition of sheer power during the first three quarters, the Lions saw a 19-6 lead overcome by a series of long touchdown romps, which gave Willis a 27-19 verdict.

In the third contest the Blue and White flashed one of their best games of the season, when they played their undefeated rivals, Columbus Academy, to a thrilling scoreless tie. This game was perhaps the season's high spot.

First and only victory of the year was chalked up over Westerville in the fourth game. The final score was 19-0. The following week an underrated Holy Rosary eleven trekked to Bexley and administered a surprising 12-0 drubbing to the home team on a muddy field.

Next Blue and White adversary was the Grandview Bobcat. The Lions lost any hope of a C. B. L. championship in this crucial game by dropping a 7-0 verdict to their League rivals.

After they had lost a 24-14 thriller to Groveport, the Lion gridgers defiantly faced their last contest, with Upper Arlington, determined to make it a memorable one; and, although they were finally defeated, 19-6, by the heavily-favored Golden Bears, they proved that they really deserved their nickname, "Fighting Lions," by giving one of the city's strongest teams its closest game.

Earl Hamilton, tackle; Dick Hogan, end; and Fred Herbst, halfback; received positions on the Coaches' All-Central Buckeye team; while Lloyd Wetzel, tackle; and Hugh Huntington, halfback; were awarded second team positions.

BASKETBALL

Capt. Hogan

BEXLEY'S basketball team this year fulfilled an eight-year ambition that has been sought in vain by seven previous Lion fives—the championship of the Central Buckeye League.

By winning this championship, the 1937-38 quintet definitely stamped themselves as one of Bexley's most powerful squads, inasmuch as the C. B. L. title has been captured only once before by a Blue and White team—in 1930. In fact, while many words of praise have been written about this year's five and many comparisons made, perhaps the finest compliment they received was from their coach, Carlton H. Smith, when he said, "The 1937-38 team is the greatest ever to represent Bexley High School."

The team, composed of Bob Kalish and Howard Samuel at forwards, Earl Hamilton and Fred Bernlohr at guards, and Capt. Dick Hogan at the center post, finished the regular season with a fine record of 13 victories against three defeats, and recorded a triumph in the District Class A tournament before being eliminated by Marion Harding.

The Lion five did not start their season in a conspicuous manner, however, as they

The Bexleo

lost their opening game, a poorly played contest with Urbana, by a 14-11 score. This encounter was marred by missed scoring opportunities, bad shots, inaccurate passes, etc., and produced little evidence that Bexley was to support a championship squad.

The Blue and White looked better in their next two starts, when they took a 25-24 thriller from Middlesport, and a decisive 28-22 decision from Lancaster.

Chalking up their third victory in a close, 22-20, overtime battle with Aquinas, Bexley began to exhibit the form that was to bring them the C. B. L. crown, but they were brought to a sharp halt in their winning ways when they were administered a 32-26 drubbing by the strong Marion Harding Presidents.

After this defeat the Lions started on a six-game winning streak that brought them within close sight of the Central Buckeye title and gave them two non-conference wins as well. They bested Grandview, 32-22; Delaware, 43-29; and Westerville twice, 30-26, and 47-32, in League frays; and recorded non-League wins over Holy Rosary, 30-19; and Circleville, 48-17.

This string of victories was broken by a powerful Upper Arlington five, 50-35, but was quickly resumed as the season neared its end.

In the four final encounters the Blue and White cinched the C. B. L. champion-

WITH the organization of the Central Buckeye baseball league this season, the Lion nine has a challenging mark to shoot at. At the time of this writing the Blue and White diamond crew were tied with Columbus Academy for the League leadership.

In the first six starts of the campaign, Bexley has been successful in four of them, three against League opponents.

After the season opener at Mifflin, which Mifflin captured handily, 8-3, the Lions took Westerville into camp, 12-3. The following week Lancaster was subdued in a hard-fought extra inning game, 10-9. Academy then walloped Bexley, 11-0; but the Lions gained some recompense at the expense of Delaware the following two weeks by downing them twice, 12-8, and 16-6.

For the first time in the history of the school, a freshman battery, capable of starting and finishing ball games, was discovered in Bill Birch and Mike Burns. Davies took care of the other starting mound duties, with Davis ready for relief work. Hamilton was on first, Bernlohr at second, Herbst at short, and Petzinger on third. Capt. Kalish patrolled the left field area, McClure was in center, Jones chased flies in right, and Mueller was handy for utility infield and outfield service.

TRACK

Capt. Connell

LED by Capt. Jack Connell and Dick Hogan, the track team, built around these two veterans, has so far enjoyed a very successful season and undoubtedly will complete its schedule with a much better than average record.

To date the courageous Lion tracksters have won two triangular meets, tied for top honors in another, captured a dual meet, and finished second in the Central Buckeye League meet.

Scores of the three triangular meets have been: Bexley 53, Groveport 53, Grove City 37½; Bexley 85, Holy Rosary 40½, Academy 23½; and Bexley 61, Westerville 60, Gahanna 26. The lone dual meet triumph was scored at the expense of Circleville, 63 to 55.

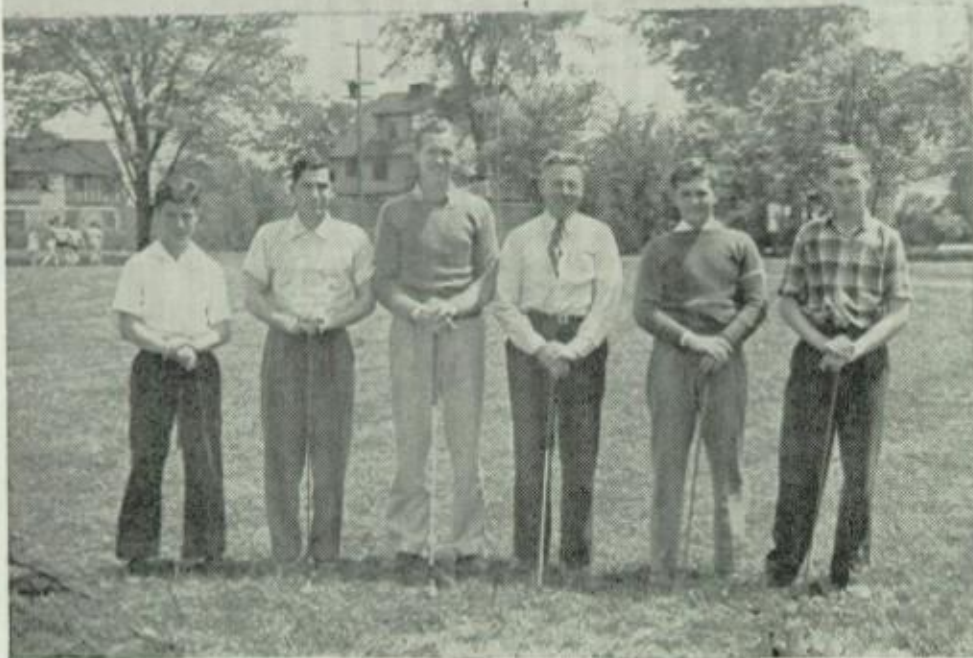

The ninth annual Central Buckeye track meet was captured by Delaware Willis. Bexley finished second.

Capt. Jack Connell took first in the C. B. L. 440 yd. run and tied for third place in the District Class A meet. Dick Hogan was high point man in the C. B. L. with 12 tallies. He won the high and low hurdles events and broke his own league record in the former. Hogan also placed third in the District meet in the high hurdles. Other chief point getters in the Central Buckeye were Mike Burns, who finished second in the mile, Beverly Hatch, who was second in the discus, and Dean Browne, second in the high hurdles.

TENNIS

BEXLEY'S tennis team seems well on its way toward a successful season this year. Although they have met several very strong opponents, the Blue and White has already won three matches, and dropped but two.

The first match was played against Columbus Academy on the Bexley Courts. The Blue and White netters conquered the Vikings, four matches to one, and swept the singles play.

The Lions next trekked to Washington C. H. where they found the out of town climate not so invigorating, for the home team administered a 5-0 defeat to them.

Returning to Bexley, the Lions won their second match on the home courts, this time from East. The Tiger netmen proved to be no match for the flashy Lions and were shut out by a 5-0 count.

However the following week the Lion den was invaded by a powerful Upper Arlington Golden Bear, led by Bobby Faught, a well-known figure in Ohio scholastic tennis circles. The visitors trounced Bexley to the tune of 7-0.

In a return match with Academy the Blue and White were again victorious, winning this one 4-2.

SWIMMING

Back row, left to right: Manuel Hassel, Dan Harmon, Stanley Loman, Kenneth McClure.
Front row: Bill Cook, John Hoffines, Otto Schenk, Bill Fisher.

RIDDLED with ineligibilities, the Lion swimming team did not enjoy a very successful season this year, as it captured only one of its four meets.

However, though the record is not impressive, the season was brightened by the individual performances of several of the Blue and White tanksters, notably Otto Schenk and John Hoffines. The entire team was built around a nucleus of these two boys and they responded nobly, taking a large number of points in every meet.

The Sea Lions' first meet was with Xenia. Though they kept within close range of the ultimate winners, the Blue and White swimmers did not have enough all-round strength to take the decision and were defeated, 47-28. Otto Schenk took two first places to lead the afternoon's scoring with 10 markers.

The undefeated Academy Vikings, Columbus city champions, overwhelmed the Lions in the next meet by a 51-24 count. Jack Hoffines paced the team scoring with nine tallies as he salvaged Bexley's own first, in diving.

Lone victory of the season was recorded over Greenfield McClain. The final score was Bexley 48, McClain 29.

The Lions closed their season by dropping a close, 35-31, decision to Holy Rosary.

GOLF

Left to right: Dick Black, Stanley Schwartz, Earl Hamilton, Coach Smith, Strouse Campbell, Tom Benua.

THE Lion golf team this season is not quite up to the par set by former Blue and White link squads. The team, made up of three seniors and two sophomores, has won two matches and lost four, but has a good chance of improving this record as it will face less powerful opponents in future matches than in those already played.

With Strouse Campbell playing Number 1 position, Earl Hamilton Number 2, Tom Benua Number 3, and Stanley Schwartz Number 4, the Lion golfers won their opening match, 7½ to 4½, against East.

THIS year the G. A. C. had a very successful season. In addition to the two annual affairs, the Christmas party and the Farewell Banquet, the club had a treasure hunt, a hay ride and steak roast, a skating party, a swimming party, and a spread.

The girls who received letters this year by obtaining 500 points through sports events are: Dorothy Orr '40; Harriet Lurie '41; Cherie Janes '40; Elloise Borden '40; Pollyana Wessler '40; Marcia McElhinny '41.

This year is the last year that the club will have as its supervisor Mrs. E. W. Anspach, the former Miss Izora Scott. The club has progressed under her direction, and we know the members will miss her.

BEXLEY HIGH SCHOOL, BEXLEY, COLUMBUS, OHIO, DECEMBER 17, 1937

PRICE TEN CENTS

Twenty-Nine Make Third Honor Roll; Twenty-Six Have Honorable Mention

Seniors Lead List With Ten; Freshmen Last With Two

Some of the parents of Bexley are going to receive nice Christmas gifts in the form of Honor Roll Cards from their boys and girls who won this distinction the last six-weeks period. The outstanding feature of this period's report is that so many students missed the Honor Roll by just one grade. Of course, they are given on the Honorable Mention list, yet it would be fine if this one grade could be improved so that on the next report they will be where they belong, on the Honor Roll itself.

At the last period of grading the seniors again lead in the number of students on the Honor Roll. The freshman class has the poorest showing of all. There is surely room for improvement there.

The Honor Roll is as follows: 12B: Virginia Bonnet, Gwendolen Brandt, Mae Ellen Baker, Jean Casey, Grace Finsterwald, Robert Hess, Charles Kinsale, Nancy Nehrent, Margaret Scarlett, Stanley Schwartz.

11A: Richard Bema.

11B: Marcia Black, Margaret Edwards, Mary Alice Eull, Virginia Finsterwald, Donald McPherson, Jane Reamer, June Sarver, Harriet Stern.

10A: Lester Zipser.

10B: Joanne Boeshaar, Mary Evans, William Haubrich, Jean A. Mitchell, Margaret Phillips, Ted Smoot, Richard Yalman.

9B: Irene Schiff, Emily Schulz.

The following students received Honorable Mention: 12B: Joan Armstrong, Owen Ford, Arthur Lieberman, Donald Martin, Dorothy Jean Miller, Florine Silberstein, Ruthie Thall, Maurice Lee Yalman.

FRENCH CLUB ELECTS BRANDT, PRESIDENT

Gwendolen Brandt '38, was elected president of the newly-organized French Club, November 24, at a special meeting in the Music Room. Other officers elected are: vice-president, Margaret Scarlett '38; secretary, Jane Bobb '38; treasurer, Bill Heer '38.

The constitution of the club had been formally adopted by a unanimous vote of the club members the previous week.

This organization promises to offer varied programs throughout the year, including several native French speakers. Miss Manner, French teacher at Capital University, and a native Frenchwoman, spoke to the club, December 14, in the high school.

DEAR SANTA,

We wish we were Aladdin.
His trusty lamp we need
To wish for cars to hear the news
And eyes, the news to read;

To wish for longer articles,
And news that is not "stale."
For original ideas,
And plans which do not fail;

To wish for longer days and nights
That we might have more time
To spend in making perfect
Such rhythm and such rhyme.

We know these gifts can't come
With an Aladdin's lamp,
But hopefully we pray, Kind
Send us Aladdin's lamp!

Music Department Announces Cast For Gilbert and Sullivan's 'Gondoliers'

'Silent Night' Wins Christmas Carol Poll

Once more the Christmas season draws near, and our favorite Christmas Carols become the popular songs of the day. "Silent Night" was the choice indicated by 25 Bexley High students in a recent questionnaire. "What is your favorite Christmas Carol?" This carol is so well known that several students prefer it sung in the German language.

"O Little Town of Bethlehem" is the next best-liked carol, while "Come All Ye Faithful"—well known as "O Come All Ye Faithful"—runs a close third.

Both "The First Noel" and "Christmas Day" were first line in "Hark, the Herald Angels Sing," are the favorite carols of students; while "The Glorious Old" with the first line, "Upon the midnight clear," comes next. "We Three Kings of Orient Are," "The World," "Away In the God Rest Ye, Merry Gentles," "Deck the Halls with Boughs of Holly" follow respectively as favorites.

'King of Barataria' to Be Given By Glee Clubs in Spring

The leads for the Gilbert and Sullivan opera, "The Gondoliers or The King of Barataria," to be given by the music department of the high school in the high school auditorium sometime in the early spring, have been announced by the faculty committee.

The music will be under the direction of Mr. John J. Heider, supervisor of music, and Miss Bernice Mullins will supervise the dramatics. The cast of characters is as follows:

The scene for the story is set in Venice in 1750, and much of the music shows the Italian influence. The libretto and music are 'delightfully gay and sprightly.'

(A review of the story will be published in the January issue of the Torch.)

BOARD PURCHASES PICTURE MACHINE

The Board of Education with the help of the Bexley Parent-Teacher Association recently purchased a Bell and Howell 16 mm. sound motion picture machine. The Bell and Howell Company has a splendid reputation for making moving picture machines, and the Board has surely made no mistake in selecting one of its products.

The machine will not be used only for assembly programs, but also in class work. Two screens were purchased along with the machine, one for classrooms and the other for the auditorium.

Many educational films, most helpful to students, can be secured at the present time. The new equipment will be used in all the schools of Bexley. It was not purchased just for the high school students alone. This machine will supply a long-felt need in the Bexley schools.

Does Bexley Want Mental Telepathy?

Gwendolen Brandt '38

"Are you a mind reader? Do I have the gift of mental telepathy? Is there such a thing as mental telepathy, anyway?"—such are questions which everyone is asking his friends and himself these days. For some years Duke University has been carrying on experiments in telepathy; recently, a popular radio program has been conducting weekly telepathy sessions, with rather amazing results.

"That," experts wonder, "suggesting mental telepathy does exist—is it a natural gift bestowed on a chosen few, like musical or artistic ability, or can any of us, with proper practice, develop the ability?" Just imagine what would happen if, assuming that there is a hidden quality in all of us which needs only some "magic touch" to bring it forth, we of Bexley High School, and we alone, should discover the secret!

Many would be the advantages of our find! Our Bexley "Lions" would be undefeated in football, of course—they would be able to anticipate every play of MARIEN ABSHIRE IS EDITOR OF MAGAZINE

Marion Abshire '35, a junior at Randolph-Macon College, Lynchburg, Va., is the editor of the only humor magazine edited by a woman's college. The publication is called *The Old Maid*.

In high school Miss Abshire was a member of the *Torch* staff, the National Honor Society, the Girl Reserves, the Latin Club, and the Glee Club.

the opposing team. Basketball would be the same way; and as for baseball, every other side of our bat would hit a home run since we would know what the pitcher was going to throw.

Bexley students would have an easy life; there could be no tests. Freshman algebra troubles would be considerably decreased, the seniors would all have IQ's of 100's; and "quantitative analysis" would be a "snap" for the juniors—they would know what was in each of the "unknowns" given them without even looking at it. We should be an essentially honest group—excuses for cheating and tardiness would be considerably diminished, to the great joy of Miss Thomas and Mr. Kessler.

But, unfortunately, nothing is all good, as let's look at the disadvantages of our discovery. We've said that we Bexleyites would be honest—gone would be the police 8th, the half-truths and evasions; and, along with them, many "beautiful friendships" would be "gone with the wind."

Surprise parties would be "out," and everyone would know just what he was going to get for Christmas. Furthermore, fond parents would no longer believe that three-o'clock-in-the-morning excuse of a "flat tire," or "my watch was slow." Nobody's thoughts would be his own.

Well, how about it? Do you still want that "magic process," or shall we continue to struggle along without mental telepathy but with our privacy?

Reporter Reveals How Santa Is Made

Don McPherson '38

Have you ever wondered how that delicious ice cream Santa Claus, or the ice cream sleigh, Christmas tree, or poinsettia, that you ate at Christmas time, was made? The reporter learned how these delicacies are produced at the Mowen and Ross factory in Columbus.

Santa Claus, because he is such a distinguished gentleman, is made in a way slightly different from the others, with two flavors of ice cream.

First of all, there must be a mold of the old fellow. Then vanilla ice cream, already frozen fairly solid, is put in the face and beard section of the mold, and much softer raspberry ice cream fills in the remainder.

The mold is then closed and placed in a large refrigerator compartment, where Santa freezes for about fifteen minutes at a temperature of 30 degrees below zero. Removing him from the mold is easily accomplished by submerging the mold in a basin of hot water for a few seconds.

Finishing touches are applied then, such as candy mint for fur; and a completed Santa Claus is taken to a huge refrigerator store room, kept at 15 degrees below zero, to await his purchase.

The other products are made by a similar process, except that only one flavor of ice cream is used. For the sleigh, vanilla ice cream is used, and for the Christmas tree, mint ice cream supplies the desired green.

However, after the products of this

kind are frozen, they are fitted beautifully with a great variety of vegetable colors, applied by experts using small hand air sprays; and it is difficult to believe that the finished products are merely pieces of ice cream.

In the immediate kitchen of this factory there are several cabinets filled with molds. Besides the above-mentioned and several other Christmas molds, there are initial molds, lodge emblem molds, and molds for about every occasion that one could possibly desire for an attractive ice cream dessert.

At this time of year, in particular, there is a steady production of Santas and other Christmas delicacies; and there are many rows of them in the store room, waiting to be sold.

Now, when you eat your ice cream Santa Claus this Christmas, you can say—if you haven't already—"I know all about this old fellow, even how he was made."

his guest, Miss Ruth Bigelow, with a few tips as to how Lily's Lotion helps keep a secretary's beautiful hands lily-white . . . I'll be back in a flash with a flash . . .

George Clouse, Pulitzer Prize winner, has just completed a new novel . . . Shirley Temple, child star of yesteryear, is suffering from a nervous breakdown and is under the care of Dr. Robert Birnkrant and Dr. Eleanor Burch, well known psychiatrists . . . in the sports world . . . Jack Connell, track star, and Alice Duddy, who holds the women's ice-skating championship of the world, will be on the American team in the coming Olympics . . . the New York Yanks are reputedly trying to buy Tom Lewis, pitcher for the Cincinnati Reds . . . Earl Hamilton's Notre Dame football team is said to be the best since the days of Knute Rockne . . . Veterinarian Donald Martin has been called by the Mouch Stables to try to save the life of their Churchill Downs' winner, Spitfire . . . Attention, Hollywood . . . Ann Burgess, Hollywood scenario writer, has finished her work on **Gone With the Wind**, and the cameras of Art Lieverman are about to start turning on that much-delayed **opus**. The Kaufman studios have signed Tom Lemmon, champion swimmer, to play opposite Elsie Phillips' Scarlett O'Hara . . . The nation will be listening in on the first trial of Jim Emswiler's newly perfected television when Miss Mary Ann Hoffhine, National Leader of Girl Scouts, lectures next Tuesday . . . Musical notes . . . Phil Hertenstein has left Tommy Dorsey's band to beat the drums with Bill Beeson . . . Phyllis Reuter now arranges the lyrics for Phil Spitalny's all-girl orchestra. His latest addition is Virginia Fromm, harpist, from Columbus, Ohio, also the hometown of the vocalist, Maxine Lash . . . drawing them in at the Paradise Restaurant are the featured vocalists, Alta Riffle and Betty Reuter . . . The old world turns to the new!—The Duke of Kent wants Robert Minch to do the landscaping for his new castle in Kent. Chez Miriam Wright has charge of the interior decorating. Carl Messerknecht, known for his ceramics and his beautiful blonde wife, the former Dorothy Jean Miller of Detroit society, will do a set of dishes for the younger of the Mussolini brothers. Let's go, America! . . . Lines on the Ladies . . . seen at the swank opening of the Golf Club the other night was Marilyn Smith, fashion criterion, in a cellophanized evening gown. Consult Norma Miller, ladies; they say she has sole rights to this dernier cri. The debby with well-known playboy Lynn Abernethy had a blue orchid, which took the Nagle Orchid Farms years to produce . . . May we recommend to Ben Fernie that he get a copy of Dorothy Peters' new etiquette book—maybe he can win another fan to make that fourth at bridge . . .

President Ruth Smith of Mt. Holyoke and Miss Mae Ellen Buker, Yale's first woman president, were girlhood friends back in Columbus, Ohio. The Yale men like President Buker's regime, especially the food of Dietician Annette Friedman; and Grace Finsterwald, formerly a home economics teacher in New York, has been employed to teach the men how to "cook their own" . . . orchids to Mrs. Elizabeth Magnuson Walker, for her donation of a sizeable sum to help our Chicago's Hull House, now headed by Irene Korpieski . . . and to Gwendolen Brandt, for her swell job of running the Community Fund this season . . . Dr. Robert Hess, Harvard English professor, has been in seclusion on the yacht of millionaire Jimmy Campbell, while writing his latest book on modern orthography . . . Next to head the famous Child Foundation School will be Laura Morris . . . RED-LETTER DAYS

SEPTEMBER

- 20—School started—a week late, due to the infantile paralysis scare.
- 21—School **work** started—in earnest.
- 24—First football game of the season with North, at North. We lost, 14 to 0.

OCTOBER

- 1—First Central Buckeye game on Delaware's new field. They won, 27 to 19. Worst heart-breaker since that famous Ohio State-Notre Dame upset.
- 4—Senior privileges start—for those who get them.
- 8—Ah-h-h, the long awaited Academy game. Hold that line! And we did, at 0 to 0.
- 15—Westerville game (here). We skinned them, 19 to 0.
- 29—We lost the Grandview game, 7 to 0—and with it the C. B. L. Championship!

NOVEMBER

- 4—Girl Reserves "blowout party." And did the "Big Apple" go over **big**!
- 5—No school—here's to bigger and better teachers' meetings.
- 10—G. A. C. steak roast. Were they tough, girls?
- 11—Our annual Armistice Day—off.
- 12—We lost our Homecoming Game to Arlington, 19 to 6. When it rains it pours!
- 22—Girl Reserves sponsored Apple Day. What a rest for the doctors of Bexley.
- 23—Football banquet. Better than ever—and oh! the waitresses. Herbst and Huntington chosen next year's captains.
Girl Reserves' Penny Day. The sales tax made the pennies plentiful.
- 24—G. R. Potato Day. Two days' vacation for Thanksgiving!
- 25—Please pass the turkey.
- 26—We needed today to recuperate.

DECEMBER

- 3—Got off to a bad start in basketball by losing to Urbana, 14 to 11.
- 4—Edged out Millersport, 25 to 24, on our own court. Close shave!
- 10—Who said Lancaster was so good? Bexley was 6 points better.
- 17—The Fighting Irish of Aquinas lost the "fight"—22 to 20.
- 18—Marion-Harding. It was a good game, boys, even if we did lose.
- 22—We avenged that football defeat by Holy Rosary, 30 to 19.
- 23—Christmas vacation begins.

JANUARY

- 3—Back to school—just when we were beginning to get caught up on sleep. What a short two weeks those were!
- 14—Bexley-Westerville game, with Bexley on the long end of the 30 to 26 score. Nice work, Bernlohr and Captain Hogan.
- 21—Bexley wins again—this time from Grandview. Nice cheerleaders, what?
- 26—Exams start. Enough said.
- 27—More exams. How could we have forgotten so much?
- 28—And still exams. Will they never end?
Delaware was no match for the Lions; 43 to 29 tells the story.

FEBRUARY

- 4—The next victim, Westerville, fell, 47 to 32. It's the C. B. L. championship or bust!
- 5—Arlington game (Don't ask the score!) Hershberger fooled us all, boys.

ship with a 24-20 win over Grandview and a hectic 56-44 triumph over Delaware; took Aquinas into camp for the second time, 32-26; and scored an easy 51-41 victory over their closest rivals, Columbus Academy.

For the first time in the history of the League, a school member captured two basketball titles, and that school was Bexley. For, while the smooth-working varsity was winning such high honors, Bexley's reserve team also brought laurels to the Lion den: the reserve championship of the C. B. L. and a season's record of nine wins and seven losses.

In looking over the fine records of both the varsity and the reserve teams, one can truly say that the 1937-38 basketball season will be a never-to-be-forgotten one in Bexley history.

(Continued from page 71.)

They suffered their first defeat of the season when they were conquered by the strong Central Pirates, 12-0, and their second when they succumbed to the North High Polar Bears, also by a 12-0 count.

The following week the Lions met an undefeated Grandview foursome and were again taken into camp, this time by a 11-1 decision.

After they had been beaten by Aquinas, 7-5, in a close match, the Blue and White snapped their losing streak at the expense of South, overcoming the Bulldogs, 10½ to 1½.

The team is entered in the Greater Columbus golf league but has little chance of copping the title this year.

RED-LETTER DAYS

(Continued from page 101.)

- 11—Grandview's turn again, 24 to 20. We're the new Central Buckeye Champions now! And are we proud!
- 14—Valentine Day, marked by flowers galore and a Girl Reserve party.
- 18—State Treasurer Knisley's band "swung out" in chapel in honor of the basketball boys.
- 22—No school—we're glad you weren't born in July or August, George Washington. Student Council Dance—and a good time was had by all.
- 25—Columbus Academy game—they can't claim this as a "moral victory."

MARCH

- 3—We defeated Aquinas in the first lap of the Class A tournament. Marion Harding next.
- 4—What a game! Why couldn't we have made that last point, instead of Marion Harding? Torch wins first place in Columbia Scholarship Press Association contest. Torchids to the editor and the staff.
- 17—First performance of "The Gondoliers." It's a big success—and oh, the compliments.
- 18—Second night of the operetta. Flowers and more compliments. French Club sponsored French movie, "Sans Famille. L'avez-vous vu?
- 25—Oh, how the gold basketballs and that silver trophy glittered in chapel! Nice speech, Captain-elect Samuel.

APRIL

- 2—Senior Scholarship Tests—for the intelligentsia.
- 11—Initiation of National Honor Society.
- 15—Out for Easter vacation.
- 19—Heigh-ho, heigh-ho, it's back to work we go!
- 22—Second Student Council dance—as big a success as the first. The decorations were so good (and so high) that they weren't even touched. "Tip-pi-tin" and "Love Walked In" headed the "Bexley High Hit Parade."

MAY

- 4—Central Buckeye Track Meet. Even a pep meeting, the good work of Captain Connell and record-breaker Hogan, and two lovely queens, couldn't keep Delaware from winning.
- 7—District-State Scholarship Tests. Four individual firsts for Bexley, and second place for the school. Heavy competition—against the big schools this time.
- 13—Junior-Senior Prom! It really came off after all.
- 17—Final Girl Reserves Banquet. Parting is such sweet sorrow . . .
- 19—Final G. A. C. Banquet—Doubly final, because Miss Scott won't be back next year.
- 20—Track meet with Newark and Arlington.
- 25, 26—Junior High School Operetta. Bird's-eye-view of next year's freshmen. Off with the old and on with the new, Seniors!
- 30—Memorial Day—and vacation.

JUNE

- 1, 2, 3—Senior examinations. You wouldn't think they'd make the last ones so hard, would you? An epidemic of crossed fingers.
- 3—Annual Music Festival. "Music hath charms," all right.
- 5—Baccalaureate. Very beautiful and inspiring to all.
- 6, 7, 8—Examinations for the underclassmen—the seniors roaming the halls with smug looks on their faces. Oh, well, you graduate only once!
- 8—Senior Play, "Dear Brutus." The best one yet, say the seniors, and even the juniors have to admit that it will be hard to beat.
- 9—Commencement. The seniors are proud and a little sad.
- 10—Senior breakfast—then back to school for grade cards. It's "Good-bye, Bexley, and good luck" from the Class of 1938.
